

### **TOMS Shoes Schools distribution list**

The following are the schools in Bugisu region, Uganda that are slated to receive new shoes from AAH as part of the TOMS Shoes distribution in 2012. Because the number of shoes in some sizes may be limited, some children at these schools may not receive shoes this year. AAH will do its best to give shoes to as many children as possible. If there are surplus shoes in some sizes, AAH will distribute them to schools not on this list. AAH will make a new application to TOMS Shoes under TOMS Repeat Shoe Giving Program so that all children who receive shoes this year do so again next year.
